ON THE ROAD CELEBRATING OUR 15TH ANNIVERSARY IN GHANA

We are now in Ghana celebrating the 15th year of FACE changing lives in this African country. We are here with 5 volunteers from Canada and have been joined by ten of our local directors and helpers .

Here are some pictures of our two days shopping for the school supplies and from the first village we visited called Mankoadze:

Shopping for backpacks and textbooks @Makola Market

Cooling off with Coconuts

Getting ready for our first meeting with the sponsored kids at Mankoadze

Showing off our anniversary banner

We will be sending you more reports about about our trip shortly.
